About 1880 CLUB

1880 CLUB is a leading schoolwear brand across the UK and Ireland, trusted for quality, fit and durability.

Backed by over 100 years of garment expertise through the Douglas & Grahame brand house, 1880 CLUB combines generations of experience with a clear understanding of what today's schools, retailers and families need.

Our collection is made for the demands of everyday school life, bringing together hardwearing fabrics, easy-care performance and comfortable fits designed to look smart and last.

From our trusted blazers, shirts and knitwear to trousers, skirts and outerwear, every piece is created with quality, comfort and practicality at its core.

Our extensive range of fits and sizes includes girls' fitted shirts and blazers, tapered trousers for men and youths, plus sizes and adjustable options to help more students find the right fit.

We also offer personalisation and made-to-order solutions, including blazer braiding, embroidered crests, patterned shirts and trimmed knitwear — helping schools create a distinctive and consistent identity.

Made For The Long Term

1880[®]
CLUB

Sustainable fashion without compromise

1880 CLUB’s fabrics and production partners are certified to the Global Recycled Standard (GRS), reflecting our commitment to the highest standards of sustainability.

We continue to use Teflon Ecoelite™, a more environmentally responsible alternative to traditional fabric finishes. Our blazers and skirts are crafted with recycled polyester, combining style and durability with a reduced environmental footprint.

Our Green Mission

Join us on our Green Mission as we work towards a more sustainable future for schoolwear.

With every blazer/ coat and skirt/trouser combination or every skirt/trouser, shirt and knitwear combination purchased, you will receive a complimentary 1880 CLUB reusable aluminium water bottle.

Personalisation

At 1880 CLUB, our made-to-order service gives schools the flexibility to create a uniform that reflects their individual identity, while maintaining the quality, durability and value our range is known for.

From custom blazer braiding and embroidered crests to patterned shirts, trimmed knitwear and personalised ties, our made-to-order service provides carefully selected personalisation options to help create a distinctive identity.

Our team works closely with schools and retailers to create distinctive, practical and affordable solutions, tailored to their individual requirements.

Blazers

1880 CLUB blazers are designed to deliver premium, long-lasting quality, combining durability, comfort and a smart appearance for the demands of everyday school life.

With year-round stock available across key styles, our blazers are designed with practicality and performance in mind. Added elastane provides enhanced comfort and flexibility, allowing greater freedom of movement throughout the school day.

Selected styles are also machine washable, making them easy to care for and ideal for everyday wear.

Polyester Blazers

Our extra weight 100% polyester fabric is innovatively developed for 1880 CLUB with barathea weave structure, which ensures hard-wearing, low pilling as well as better drape than standard polyester. Additionally, our extra weight polyester fabric contains 50% recycled polyester which is a sustainable alternative to virgin polyester, made from post-consumer plastic waste such as bottles and fishnets retrieved from the ocean. It retains the same strength and elasticity as traditional polyester but offers significant environmental advantages. It is also machine washable for easy everyday care.

Melton Blazers

Our Melton is a traditional poly wool blazer with water and stain repellent finish. This Bionic Finish is an advanced textile finishing technology that focuses on both ecological sustainability and high performance. It provides a durable, water repellent finish to fabrics while maintaining environmental responsibility.

Hopsack Blazers

Polyester viscose elastane fabric with hopsack weave, exclusive to 1880 CLUB is specially designed to reduce pilling and has a Teflon Ecoelite™ finish, which is a bio-based and non-fluorinated stain-repellent technology that repels water and water based stains without impacting feel and breathability. Elastane has been added to maintain a high level of comfort and wear performance.

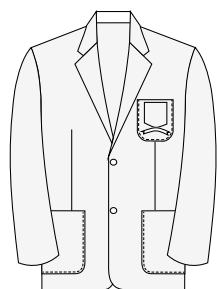

Visimax - Increased Visibility

Designed to enhance visibility in low light conditions, the reflective material returns light back to its source, making the wearer more noticeable to pedestrians and passing traffic.

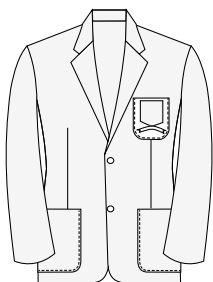

This contributes to a safer journey to and from school.

This can be added as a trim or piping to any blazer.

Trousers

Our collection includes a wide range of trousers, available in extra-slim, slim or regular leg fits, all in a variety of sizes, lengths and colours.

Evalast Trousers

EVALAST

Our evalast trousers are made of polyviscose elastane fabric exclusive to 1880 CLUB. Specially designed to reduce pilling, the fabric has a Teflon Ecoelite™ finish, which is a bio-based and non-fluorinated stain repellent technology that repels water and water based stains without impacting feel and breathability. Elastane has been added to maintain a high level of comfort and wear performance.

Duratech Trousers

DURATECH

This technically special poly viscose 2x2 twill for trousers is unique to 1880 CLUB and is strong in construction to give good durability in wear and has a Teflon Ecoelite™ finish, which is a bio-based and non-fluorinated stain repellent technology that repels water and water based stains without impacting feel and breathability.

Added Teflon Ecoelite™ Protector

Teflon Ecoelite™ protection is a fabric finish that has been added to all of our trousers. This bio based finish, repels water and water based stains, benefiting the fabric quality and durability.

A photograph of two young boys in school uniforms standing outdoors on a red running track. The boy on the left is wearing a dark sweater over a grey shirt and a red tie, smiling and looking towards the other boy. The boy on the right is wearing a bright red V-neck sweater over a white shirt and a striped tie, wearing glasses and looking back at the first boy. The background shows a green fence and trees.

Knitwear

Designed for everyday comfort, our knitwear combines quality, durability and a smart appearance throughout the school day.

Available in crew necks, V-necks, half-zip sweaters and cardigans, the collection is crafted from carefully selected wool blends and easy-care acrylics, offering warmth, comfort and long-lasting wear.

Embroidery, tipping and special colours available on request.

1880 CLUB offers a made-to-order service, with a range of fabrications and colours.

Alongside our core lines, knitwear can be personalised with embroidered crests, special trims and multi-colour tipping.

A photograph of three students in school uniforms standing in front of a black door. On the left is a boy with blonde hair wearing a maroon blazer over a grey shirt and maroon sweater. In the center is a girl with blonde hair and glasses wearing a dark blazer over a white shirt and blue striped tie. On the right is a boy with dark hair wearing a maroon blazer over a white shirt and dark tie. All three are smiling. The blazers have school crests on the left chest. A yellow banner with the text 'Shirts + Ties' is overlaid across the middle of the image.

Shirts + Ties

Designed for everyday school life, our shirting collection combines comfort, durability and a smart appearance with fits designed for both boys and girls.

Available in slim and regular fits, with short and long-sleeve options, our shirts are made for lasting comfort and easy everyday wear. The collection also includes girls' fitted and reverse collar styles, providing a smart, contemporary fit.

Selected styles, special colours and made-to-order options are also available to meet specific school requirements.

Coats

The latest addition to the 1880 Club range is our Puffer Coat, made from a durable, water-resistant and breathable fabric. Designed with comfort and freedom of movement in mind, the coats feature welded seams in place of traditional quilting, creating a fully sealed barrier against wind and water. Reflective trims add an extra layer of safety, making these coats a practical yet stylish outerwear choice for schools looking to elevate their student uniform offering.

Coats Size Conversion Chart

Size	122 Age 6/7	134 Age 8/9	146 Age 10/11	Y XS	Y S	Y M	Y L	Y XL	Y 2XL	Y 3XL
Chest inches	26	28	30	32	34	36	38	41	43	46
Chest cm	66	71	76	80	86	92	98	104	110	116

We're excited to introduce three new smaller sizes this season, giving you even more choice and a better fit.

Important Information

The articles of school uniform described in this brochure as 'junior' are held out for sale to children aged 13 years or less.

Accordingly, VAT will be charged at zero rate. Other articles described as 'senior' will be charged at the standard rate applicable at the time of invoicing.

We emphasise this is our careful interpretation of the current VAT regulations and at the same time point out it is the responsibility of each trading entity to satisfy themselves with how VAT is applied and collected.
