

1880[®]
CLUB

Made For The Long Term

1880 CLUB is a leading brand in the UK and Ireland, famous for its high quality schoolwear.

The range is designed to meet the needs of modern families who want the best for their kids but require clothing engineered to meet the demands of childhood!

1880 CLUB has a long heritage of quality tailoring as part of Douglas and Grahame Ltd – gentlemen’s clothiers since 1924. This is evident in the high specification fabrics and appreciation for design which is exemplified in every garment in the range.

1880[®]
CLUB

Garments available from stock all year round in a wide variety of colours and specially developed fabrics – as well as an extensive made-to-order service.

Our fabrics are developed exclusively for us and we dedicate ourselves to using the most innovative technology to create products which are made to last.

Extra-Weight Polyester

We use a 100% polyester octalobal yarn for a matt finish and a baratheia weave structure, innovatively developed for 1880 CLUB to ensure a hard wearing and low pilling performance.

Melton

A choice of traditional all-wool with water and stain repellent finish or the new contemporary wool-poly for a more comfortable fit, lasting performance with eco friendly water and stain repellent finish.

Evalast

This Polyester Viscose Elastane fabric, exclusive to 1880 CLUB, is specially designed to reduce pilling and has a Teflon EcoElite™ finish. Elastane has been added to maintain a high level of comfort and wear performance.

Duratech

This technically special PV 2x2 twill for trousers is unique to 1880 CLUB and is strong in construction to give good durability in wear. Teflon EcoElite™ is also applied.

Shirting

We invest in a heavier than standard shirting construction with our fabrics using 20% more weft yarns. Naturally easy to iron and durable for frequent laundering whilst retaining brightness.

Knitwear

50% Cotton / 50% Acrylic. The Slim Fit knitwear made in cotton blend is slightly narrower through the body and arms making looking smart and modern.

100% Acrylic Pilbloc. Knitwear made from Pilbloc resists pilling over repeated use and washing. As a result, it slows down the ageing process of the sweater.

A person wearing a dark blue blazer is shown from the side, holding a black handrail on a wooden staircase. The background is a blurred wooden wall. A yellow rectangular box is overlaid on the image, containing the word "Blazers" in black text.

Information

The articles of school uniform described in this brochure as ‘junior’ are held out for sale to young children aged 13 years or less.

Accordingly VAT will be charged at zero rate. Other articles described as ‘senior’ will be charged at the standard rate applicable at the time of invoicing.

We emphasise this is our careful interpretation of the current VAT regulations and at the same time point out it is the responsibility of each trading entity to satisfy themselves with how VAT is applied and collected.

Who says school
should be all work
and no play?
